## Assurity Life

Assurity Life is a diversified, innovation-focused financial services company that serves policyholders across the nation. Their company combined the strength of three longtime Lincoln, Nebraska-based insurers — Assurity Life, Security Financial Life, and Lincoln Direct Life — which joined as a single operating company in 2007 under the Assurity name.

Assurity specializes in providing individuals, families, and businesses with innovative protection-based products for every stage of life.

As a mutual organization, it keeps the best interests of their policyholders in the forefront with an unrelenting commitment to financial strength and stability. Assurity also strongly believes in these worthwhile traditions: supporting the Lincoln community, protecting the environment, technological advancement, collaboration for optimum results, as well as engaging in wellness activities.
