Lincoln Public Schools

Lincoln Public Schools is the second- largest public school district in the state of Nebraska: a dramatically growing school district that offers a unique combination of rigorous academic standards and achievement, and family-friendly surroundings.

The school district is growing and thriving, serving over 40,000 students in more than 60 schools and programs, while being operated by 8,000 employees.

Lincoln Public Schools includes 39 elementary schools, 12 middle schools, 6 high schools, and 4 focus/specialty facilities. Electronic Contracting Company has worked with Lincoln Public Schools to install systems in 32 elementary schools, 10 middle schools, 6 high schools, and 3 focus/specialty program facilities, and their own district office.

The following list is a brief overview of all the systems Electronic Contracting has installed for Lincoln Public Schools.
