Nielsen Community Center

The Nielsen Community Center was built in 2008 and is the finest events center in northeast Nebraska.

Their state-of-the-art audio/visual equipment makes the Center an excellent place to hold business meetings and seminars as well as the perfect setting for an elegant reception.

The Nielsen Community Center accommodates up to 1,000 guests seated at tables and they can accommodate large equipment and vehicles in showroom style. A 10,000 square foot covered entrance and striking foyer provide a protected drop-off point or a beautiful staging area for your inside event. This \$5.4 million gem has set the bar high for cities across Nebraska, being a model for its elegance and warm feeling. The center averages between 450-500 events per year, and hosting various events from indoor fire truck shows, wedding receptions, funeral dinners, to sizing it up for your regular business meeting. This place has 9 different rooms for your breakout conventions.
