COMPLETE DESIGN

DESIGNING YOUR TECHNOLOGY VISION

- Maximize technology spend and life cycle
- Customize technology to your organization
- Improve integration time and quality
- Give input throughout the design process
- Build and adhere to technology budgets
- Work directly with hands-on experts

COMPLETE DESIGN

Complete Design matches the hands-on experience and insight of ECC's Design Services Team, with the ideas and input from your key stakeholders to create technology solutions tailored to your organization.

STRUCTURALLY STAMPED SYSTEM DESIGN

ECC's stamp of approval on designs gives you a "no change orders unless you ask" standard.

DETAILED EQUIPMENT LIST

Get a full and highly accurate list of technology equipment, components, and accessories for your project.

PROJECT SPECIFIC SCOPE OF WORK

A detailed write up of project goals and expectations for both you and your implementation team.

FULL TECHNOLOGY DRAWING SET

Receive a complete working set of customized technology drawings for your organization's teams.

EXPERIENCED TECHNOLOGY ADVOCATE

A forward-thinking, trusted advisor that helps incorporate the right technology for your needs.

VOICE OF CUSTOMER RECURRING MEETINGS

Give firsthand input on technology and design details that affect your organization .

DISCOVERY/ASSESSMENT PROCESS

An in-depth evaluation of your current technical environment, business challenges, and goals.

ONE ACCOUNTABLE PARTNER

One point of contact through design concept, project management, integration, and support.

NO CHANGE ORDER UNLESS YOU ASK STANDARD

If something was missed, no additional charges will be incurred on the project.

TECHNOLOGY VISION FRUITION

Bring your technology vision to life with a process that focuses on your input of the details that matter.
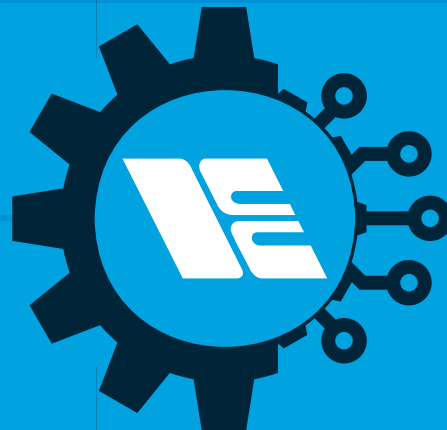

TECHNOLOGY LIFECYCLE AND SUPPORT PLANNING

Support options available to maximize the life cycle of your recommended technology.

ON-SITE COMMISSIONING

A systematic equipment check to verify that it all functions as intended in the design process.

SYSTEM DESIGNS THAT PROVIDE YOU WITH ALL THE CUSTOMIZED DOCUMENTATION YOU NEED:

- ➤ Floorplans
- ➤ Reflected Ceiling Plans
- ➤ Elevation Sections
- ➤ Schematic Flows
- ➤ Equipment Plan
- ➤ Wiring Details
- ➤ Back Box and Rigging Details
