

Dear Valued Clients and Partners,

For the last 26 years, ECC has held an Annual Golf Classic to get our entire team together and play some golf under the summer sun. It's always been one of our favorite events of the year, to bring everyone together outside of the office and share memorable times that last a lifetime.

This year as we organize our 27th Annual Golf Classic, the ECC Family wanted to change things up, and invite our extended family of clients, partners, and friends to the green to make this great event even better.

We invite you and your team to please join us on Saturday, September 28th at the Woodland Hills Golf Course in Eagle, NE for an 8AM shotgun start. And to help better the communities that we're apart of, ECC will be donating all proceeds to both the People's City Mission and the Stephen Center to aid those who need it most.

ECC has always deeply valued our network of clients and partners who have joined in helping achieve our mission of creating impactful experiences through technology throughout our 66-year history. We hope to see you all on the fairway this September to join us in swinging for an incredible event that will help support our surrounding Lincoln and Omaha communities.

Please find event registration information and sponsorship packages in this packet for opportunities to show your support and expand your brand and network across our team of technology professionals and client base.

All event registrations, and sponsorship packages that include complimentary registrations, will include complimentary lunch, drink tickets, and an event polo. **Event registrations must be submitted by Wednesday, September 18th at 5:00 P.M.** Visit the event page here to get started. We'll see you there!

Sincerely,

Logan Hinnant

Logan Hinnant, President
