KEYNOTE SPEAKERS

ANDREW POLLACK PARKLAND PARENT

Andrew Pollack is an American author, school safety activist, and entrepreneur whose daughter Meadow was one of the 17 murdered victims in the Stoneman Douglas High School shooting in 2018. He dedicates his life to making school safe again, founding a non-profit Americans for Children's Lives and School Safety (CLASS) and making sure that the families of victims get answers and justice.

RYAN PETTY PARKLAND PARENT

Ryan Petty is a passionate school safety advocate, dedicated to preventing violence in schools through policy reform and community action. After losing his daughter, Alaina, in the Parkland school shooting, he co-founded The WalkUp Foundation to promote early intervention and threat assessment strategies. Appointed to the Florida State Board of Education, he works with lawmakers, educators, and law enforcement to improve school security, ensuring that no family endures the same tragedy he has faced.

Brought to You By:

BREAKOUT SESSION #1

PASS (PARTNER ALLIANCE FOR SAFER SCHOOLS) NEW REVISION 7 SAFETY GUIDELINES & THE IMPORTANCE OF TIERED SECURITY

The PASS School Safety and Security Guidelines are the most comprehensive information available on best practices specifically for securing K-12 school facilities, including elementary schools, middle schools and high schools.

The Partner Alliance for Safer Schools (PASS) has a singular focus: To provide school administrators, school boards and public safety and security professionals with guidelines for implementing a layered and tiered approach to securing and enhancing the safety of school environments.

10:40 AM - 11:10 AM

LEARN MORE >> PASSK12.ORG

BREAKOUT SESSION #2

AXIS

BEING AN INFORMED CONSUMER OF OPEN- PLATFORM SCHOOL SECURITY HARDWARE

This presentation will explore what "open platform" really means in security hardware. Learn what to ask vendors, how to test claims, and how to buy without lock-in.

This session overviews why openness matters for technology lifecycle and layered security.

1:00 PM - 1:30 PM

LEARN MORE >> [AXIS.COM](https://axis.com)

BREAKOUT SESSION #3

HID PROPER UTILIZATION OF ACCESS CONTROL AND LAW ENFORCEMENT CREDENTIALS

This presentation will explore how to properly utilize access control to help streamline safety protocols, and the importance of mobile credentials for law enforcement access.

THINGS TO KNOW

ATTENDEE INFORMATION

EVENT LOCATION

The 2025 Midwest School Security Conference is being held at Johnson County Community College's Capitol Federal Conference Center, which is located inside the Regnier Center on the first floor in room 101. It can be found next to the Nerman Museum.

EVENT PARKING

Parking is free - first come, first serve in sharing with the campus, so please plan arrival accordingly. There's a parking lot south of the Regnier Center, with a parking garage underneath of the parking lot accessible east of the Regnier Center, and an additional parking garage underneath of the Regnier Center. There's an overflow parking lot east of those parking garages, and a larger overflow parking south to that parking section near the Wylie Hospitality and Culinary Academy. Be advised the best way to enter campus for event parking is off of Quivira Road, connecting into either North Campus Drive, or South Campus Drive into North Campus Drive. Please double-check GPS directions to be sure your route is correct.

EVENT INCLUSIONS

Attendee registrations are free and include complimentary lunch, snacks, refreshments, and full conference access. All are welcome to see the exhibits at the next door Nerman Museum of Contemporary Art for free.

RESTROOMS

Restrooms can be found right outside of the Capitol Federal Conference Center.

WI-FI ACCESS

Johnson County Community College has campuswide wireless coverage, and guests can generate their own access in a few short steps:

1. From a wireless device, go to your Settings or click the Wi-Fi icon to find available networks.
2. Select the JCCC-Guest network.
3. Read the Acceptable Use Policy.
4. Select Accept.

EXHIBITOR INFORMATION

EXHIBITOR INCLUSIONS

Each standard and premium exhibit booth space includes chairs and electricity.

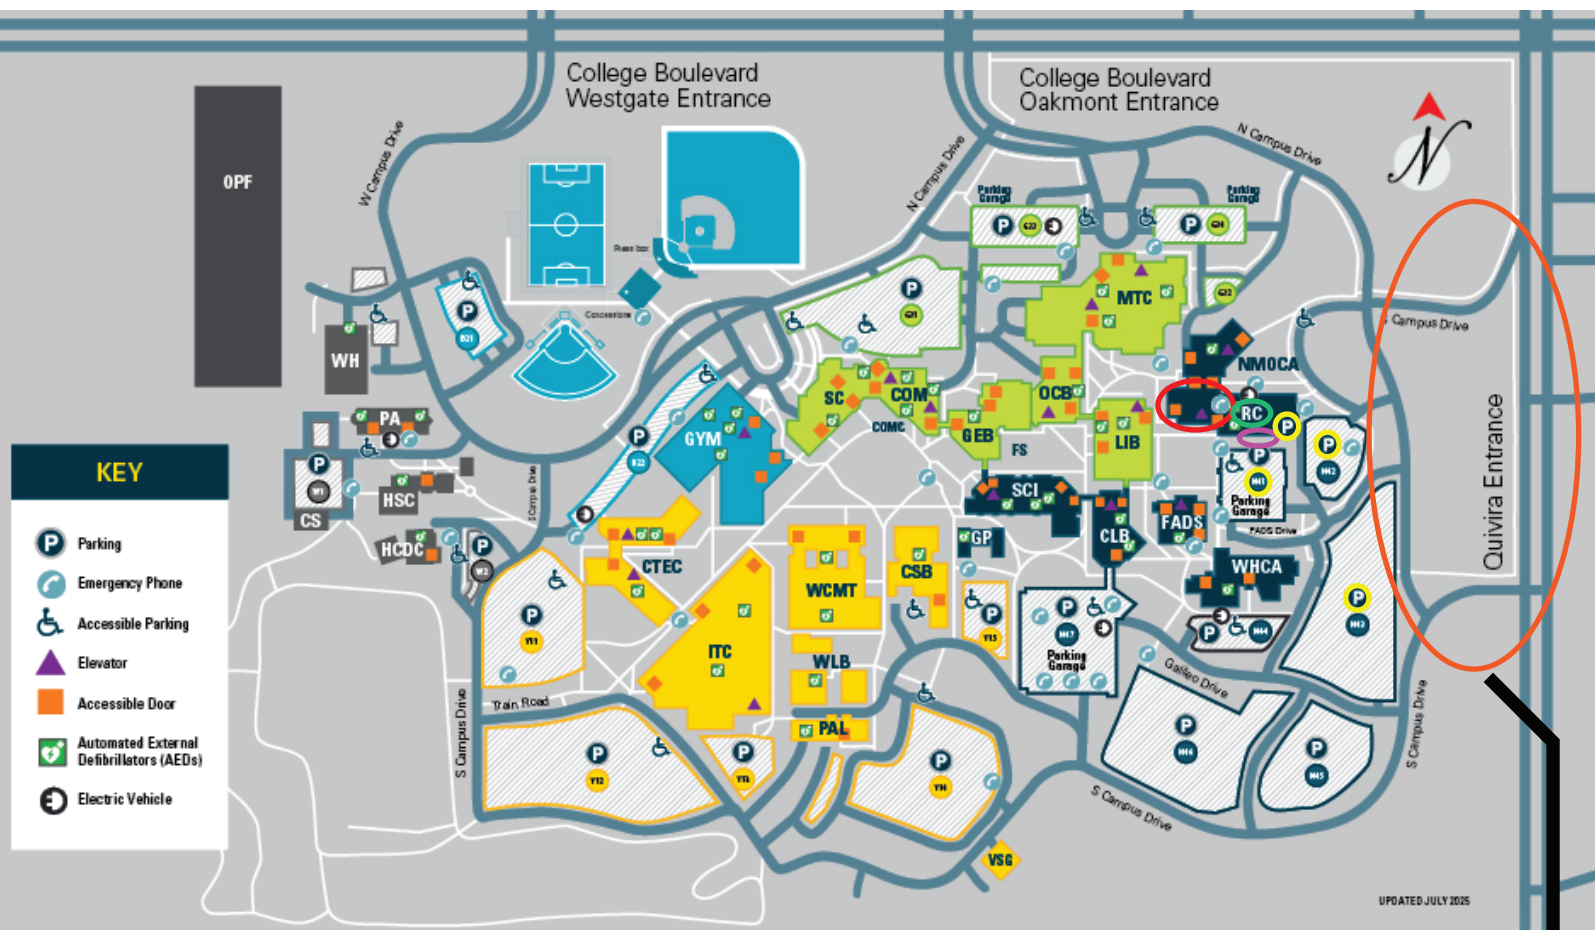

Standard Exhibitor Booth:

- 10' x 10' booth space, signage at booth with company name, sponsorship recognition in conference materials, conference website with link to company, and rolling PowerPoint slides (tiered by sponsorship level), table (1 - 6ft.), two complimentary registrations (includes provided lunch, refreshments, snacks), and Wi-Fi.

Premium Exhibitor Booth:

- 10' x 20' booth space, premium booth placement, signage at booth with company logo in full color, sponsorship recognition in conference materials, conference website with link to company, and rolling PowerPoint slides (tiered by sponsorship level), tables (2 - 6ft.), three complimentary registrations (includes provided lunch, refreshments, snacks), and Wi-Fi.
